

ADAIR COUNTY COVID-19 CASES HIT 92

Kirkville, MO 6/22/2020 – The number of Adair County residents who have tested positive for COVID-19 since the beginning of the year has reached 92. A 25-year-old female has been infected by community spread. The other five cases, a 26-year-old and a 40-year-old female, and a 24-year-old, 38-year-old, and 52-year-old male, are related to area meat-processing plants.

The Adair County Health Department reports that 16 people are now in isolation and 76 people have left isolation. Health Department staff have conducted 520 contact-tracing interviews.
