

**SECOND DOSES ADMINISTERED TO SOME IN PHASE 1 TARGET GROUP AS  
ADAIR COUNTY COVID-19 CASE TOTAL REACHES 1,938**

**Kirksville, MO 1/12/21** – On Jan. 11, 600 people received their second dose of the Pfizer-BioNTech vaccine at the Adair County Health Department’s drive through at the NEMO Fairgrounds. On Wednesday, Jan. 13, the remaining 500 will receive their second dose.

“I have to again thank our community partners who assist the Health Department staff with these drive-through events,” said Jim LeBaron, Health Department administrator. “The clinics are major undertakings, and we certainly could not do them without the time, talent and skills of area healthcare providers, first responders and law enforcement.”

“We will again focus on Phase 1 target groups at a Jan. 27 drive-through,” LeBaron said. “This vaccine administration is not open to the general public.”

The Health Department confirmed 24 new cases of COVID-19 on Jan. 11 and another 11 cases today. The total now stands at 1,938 with 103 active cases, 1,820 people who have left isolation and 15 COVID-related deaths.

Cases confirmed on Monday include females ages 13, 25, 30, 31, 32, 34, 35, two age 42, 51, two age 62, 83 and 93. Males are ages 11, 12, 15, two age 21, 23, two age 24, 55 and 81. Three cases are in the skilled nursing facility sector, four are in the K-12 schools sector and 10 reside at addresses with at least one other confirmed case.

Cases confirmed today include females ages 22, 39, 40, 41, 45 and 41, and males ages 19, 21, 22, 23 and 46. Three of these cases are in the higher education sector and five reside at addresses with at least one other confirmed case.
