

ADAIR COUNTY COVID-19 CASE COUNT HITS 3,480

Kirkville, MO 9/24/21 – The Adair County Health Department confirmed seven new cases of COVID-19 today, bringing the overall count to 3,480. There are 66 active cases and 3,382 people who have left isolation.

A previously reported 73-year-old unvaccinated male was admitted to Northeast Regional Medical Center Sept. 23. He is not on ventilator support at this time.

Among the new cases are females ages 9, 31, 32, 43 and 59 and males ages 14 and 51. Four reside at addresses with at least one other confirmed case, two are in the K-12 schools sector, and two are breakthrough infections.

The Adair County Health Department recommends that all county residents ages 12 and older get vaccinated against COVID-19 and the Delta variant. Vaccines are easily accessible, free, and continue to demonstrate that they prevent serious illness, hospitalization, and death.
