

# PUBLIC HEALTH IS IN YOUR HANDS

The Adair County Health Department's mobile app provides a simple and convenient way to connect to your local health department.

**SCAN THE QR CODE BELOW TO DOWNLOAD OUR NEW APP!**

## FIND RESTURANT INSPECTIONS AND MORE

It's easy to browse all of Adair County's Restaurant Inspections to keep yourself safe and other Environmental health information and updates.

## ACCESS TO HEALTH INFORMATION AND FORMS

Want a faster, easier way to get access to our vaccination consents, Birth/Death Certificate Requests and other forms? Simply download them from the app! No more need to make the drive to the Health Department to pick up your forms!

## UPDATES ON EVENTS AND SERVICES

Quick and easy access to all of the health departments clinic times and upcoming events. Stay updated and turn on push notifications to receive reminders and current health information.

**Public Health**  
Prevent. Promote. Protect.
